

PROCESS OF SUSPENSION AND TERMINATION OF A PARTICIPANT'S PARTICIPATION

– 2026–

A suspension and termination of access to the SEPA(EU) system can be triggered when one of the following cases occurs:

- non-compliance with system access criteria
- result of an insolvency proceeding.

When a suspension and termination of access to the system procedure is initiated, SEPA(EU) rejects any transactions from and to the withdrawn Participant in accordance with the applicable operational rules.
